

## **Academy 4 Slaves**

### Description:

Before you look any further we are two young and beautiful Mistresses who deserve to be rewarded and spoilt. We are dominant Mistresses who take great pleasure in dominating men in all levels of BDSM.

Over the years we have become very close friends as we both have that power to make men do as we say. We have since developed a taste for the dominant lifestyle as we know are beauty and dominant nature will make any man grovel at our feet.

County: Dorset
